GENERAL BIO

Bachelor of Science Student at Colorado University of Boulder. Very organized and skilled in written and verbal communications and assisting people. I am interested in learning more about website design, graphics, making apps, and coding.

VOLUNTEER EXPERIENCE

Classroom Assistant - July 2020 to Present

St. Vrain Valley School District, Niwot High School

Help new teachers with their technology. For example: explaining how to set up and use their Infinite Campus Gradebook and help explain how to set up their Schoology class page.

Technical / Teacher Assistant - July 2018 to August 2018

Longmont Intercambio Uniting Communities

My goal is to help adults from another country with their English and I also assist the teacher with their classroom website known as Schoology.
